Principal's Message:

Hello Everyone,
 Thank you for your support of our Cops for Cancer Fundraiser, held this week! What an amazing event! It's a great reminder of what can happen when students are driven to bring change to the world! Thank you to our Student Leadership Team, Mrs. Kendrick, Mr. and Mrs. Richardson, York Bell-Smith and our new friends from the Canadian Cancer Society and the Cobourg Police. Thank you again for your financial support of this very important fundraiser in Northumberland!

Our Breakfast Program is looking for more Parent Volunteers. If you can even assist the team one morning a week, when you drop your children off at school, we would really appreciate the help. Our Breakfast Program is an essential part of our school community and we need your assistance to continue to provide your children with a warm breakfast, each morning. The commitment involves assisting with serving at 7:55, which is only 10 minutes before the kids are supervised at school. Volunteers need a valid Police Check to participate. If you are interested, please contact the main office and provide your name and phone number.

This is a chance to learn about the Board's Indigenous Education initiatives and engage in the KAIROS Blanket Exercise. Participants will walk through 500 years of history while facilitators shed light on the historic and contemporary relationship between Indigenous and non-Indigenous peoples in Canada.
