**Principal’s Message:**

Happy New Year!!!! I hope you all had a wonderful and restful Christmas Holiday! The kids have been busily returned to routine and as always, they are happy to be back!

The New Year is a great time to set new goals – read each evening, complete some extra math practice, keep organized when it comes to homework and assignments and make new friendships with others. We encourage our students to set a goal this month and try to accomplish it by month’s end.

Remember that reading with your children provides them with a love for reading, which is a valuable gift, which will last into adulthood. So, Educators are asked, “What can we do to help at home?” Read, Read, Read! For our older students, encouraging them to snuggle up with a book, in place of their iPhone or iPad for 30 minutes will directly impact their student achievement and support their overall well-being. We look forward to working with your child, throughout 2018!!!

Thank you always, for your support of your child’s Catholic Education!  
 Blessings, Mrs. Brodie ☺
