**Principal's Message:**

Hello Everyone,  
 Just a short message as we enter the last weeks of school!  
 A reminder that all library books are due this week so that we can conduct inventory. This is also the last week for the Breakfast Club. We thank all of our volunteers who work tirelessly to support our program each week and provide our students with a warm and healthy Breakfast!  
 If you have not already registered for Camp AIM, the deadline has been extended! This fabulous free camp is running at our school this summer! Get your registration in!!!!  
 Have a super weekend!  
 Blessings,  
 Mrs Brodie

# Are you going to

# SUMMER CAMP?

## Why not try

# CAMP AIM?

# Adventures in Math!

**Tuesday, July 3 – Monday, July 23, 2018**

**9:00 a.m. – 2:00 p.m.**

Qualified teachers will provide a high quality and engaging math activity-based classroom environment.

We are pleased to offer our current grade 1, 2, 3, 4, 5, and 6 students the opportunity to participate in Camp AIM which will focus on communication and problem solving in math. Camp AIM will also offer daily recreational activities as well as opportunities to explore connections to literacy, science and the arts.

If you are interested in having your child considered for Camp AIM, please complete the application form using the following link: [pvn.cc/CampAIM2018](http://pvn.cc/CampAIM2018) before Friday, June 1.

Please note that daily attendance is mandatory for the time period your child is registered. Parents are to provide transportation.

### Parents of Camp AIM Students:

- Can expect ongoing and clear communication throughout the summer camp
- Are afforded opportunities, through interaction with camp staff, to learn how to assist their children with the acquisition of literacy and/or numeracy skills and increased academic achievement
- Are offered information and insights on how their child is achieving success during the summer camp

### Camp AIM Students:

- Would benefit from a small student to adult ratio learning
- Would profit from a boost in skill development and self-confidence
- Are struggling to increase competencies in mathematics
- Would enjoy the extended activities, recreational opportunities.
