**Principal’s Message:**

**Hello Everyone,**

Here we go, sliding into June! Next week, our Grade 6 students will write the EQAO Provincial Assessment for Reading, Writing and Mathematics. Grade 6 students are reminded to come to school rested and on-time; having had a good breakfast! School trips are upon us as well! Please ensure that you return permission forms promptly and pay for each trip on our Cash Online System. Thank you for your help with this important request.

Our Catholic School Council has wrapped up their service for another year! Thank you to Tonya Ferguson and the Catholic School Council Members for their service to our staff and students. We are so blessed to have them supporting our fundraising efforts, provision of new technology for our Library and our yummy hot lunches that are provided to our students each month. These things do not happen without a lot of work from a small but mighty team of volunteers! Thank you all!

Summer weather is here and the school can get very warm. Water bottles are a must each day and students should dress appropriately for the weather. Layering is a good plan for those cooler mornings, as students make that change from cool temperatures to very warm ones in the afternoons.

**Blessings, Mrs. Brodie**

The NCDC Family and Learning Centre presents:

### Easy Steps To Help Children Deal With Anxiety

A Workshop For Professionals

Consistent with the theory we have presented in the previous workshop on anxiety, this workshop will focus on 3 easy steps to help children deal with their anxiety: name it; know it; deal with it. Detailed "how to" for each step will be learned in this workshop. Handouts with the detailed steps will be provided for each participant to take away.
