Principal’s Message:

Hello everyone,

This week we launched our Fresh from the Farm Fundraiser! Just a few pieces of information that we gave the kids this week:

- Students will collect orders and payment prior to sending order forms in.
- Last day for orders and money is October 6th.
- The order will then be placed and a delivery date will be set by the company in November.
- We will notify parents and guardians of this pick up date once we receive it
- orders will be picked up at the school during the afternoon and evening on that date.

We encouraged our students to not go door-to-door to avoid any safety risks. We did ask them to contact Grandparents, Friends, Neighbors and other special people (with your permission) in order to collect orders and funds.

There will be Gift Card prizes for the Top Three Sellers and a Class Prize for the most orders.

We hope that this fundraiser will be very successful! All funds will be used for School Activities, Trips, and for purchasing Technology.

We hope you all have a wonderful and blessed weekend!

Blessings, Mrs. Brodie

Safety Reminders

All visitors are reminded to report to the office and refrain from going directly to classrooms. If you are picking up your child or dropping off items for them, please report to the office and we will call your child down to see you.

Picking Up Children Early From School

Our School Day is from 8:20 – 2:50 each day. Great learning happens in each of our classrooms every day! Parents are asked to try to schedule appointments outside of the school hours so that maximum learning is achieved. Picking up children in the middle of the day, cannot always be avoided but we would ask that these interruptions be as minimal as possible. As well, if you are picking up your child at the end of the day, please write a note in your Child's Agenda and meet them at the gate to be picked up at 2:50. Thank you for your assistance in this matter.

Looking Ahead...
