Principal's Message

Dear Parents and Guardians,

We had a very successful Lock Down practice last Thursday because the students took the drill so seriously. Officer Labelle of the Cobourg Police Services was very impressed!

Our parking lot is very busy in the mornings. Ideally all students should either be on a bus or walking. If there is the need to drive your child(ren), please drop them off after 8:05 (when yard supervision begins). This will prevent parents/guardians from waiting in a parking spot until 8:05 and will free up much needed spaces for staff and visitors each morning.

Sincerely,

Mr. R Citro

The Chiefs of Ontario are undertaking research with school boards in Ontario. The research is being done under the direction of the First Nations Lifelong Learning Table (FNLT) – a bilateral process between Chiefs of Ontario and the Province of Ontario.

This research will guide ongoing work and activities within the FNLT and will work to increase understanding of the existing relationships between First Nations and school boards. The research will also highlight some of the programs and services that are currently available to First Nations students attending provincially funded schools in Ontario and will help to determine how we can work together to increase success for First Nations students.

We encourage your participation and feedback throughout this research process as we all strive to increase academic achievement and well-being among First Nations students within Ontario.

The deadline to respond is January 25, 2019.

**Dental Staff will visit your child's
school on
February 8, 2019**

Visual dental checks:

- Provide parents with advice on the dental needs of their children
- Provide access to the Healthy Smiles Ontario Program
- Help with the development of community dental programs

All students in JK, SK, and Grade 2 will be provided with a check.

- Parents of students in these grades who do NOT want their child checked must contact the Health Unit at 1-866-888-4577 ext. 1247 at least 2 business days prior to the screening date with their child's name, date of birth, school and grade.
- Parents of students NOT in one of the designated grades can request a check by contacting the Health Unit.
- Students in the above grades who are identified with urgent treatment needs may be rescreened at a later date.

***No-touch* dental checks are conducted by a Registered Dental Hygienist. This check does not replace your child's regular dental visit. You will be advised of your child's recommended dental needs.**

Please contact the Oral Health Team if you have any questions regarding this program.
