Principal’s Message

Dear Parents and Guardians,

Our parking lot is quite busy at the beginning and end of the day and student safety is the utmost priority. In order to create more room and safe passage, I will be outlining changes which will revolve around cars using the front of the school to drop off or collect students.

This will mean that the students waiting for the bus at the end of day will remain in the same area and all others will be exiting through the front doors. Parents are asked to pick up their children at the front doors. As always families are always asked to let the office know if a student will not be on the bus at the end of day before 2:00 PM. This change will take place on Monday, November 26th, 2018.
